Forwards for the Sanction of Govt: papers connected with

NOTES AND ORDERS.

The practice that was current, since 1891 upt
quite recently, in respect of the Palace militar
was this:—All purchases, & expenditure of whatso
sort including pensions (payment of) had to be made by t
Palace Officer & the cost thereof debited to Govt:

under the altered practice sanctioned in respect of the Palace Military. Everything connected therewith has been left to the Supervision & Control of the Palace officers, in consideration of the payment of a Contract grant of one lakh per annum.

During the period to which the Expenditure under advertence relates, the practice for the palace was to pay for all these in the first instance & to be reimbursed subsequently from Govt. funds. In the present case, the Palace appears to have paid out the money in the first instance & credit has therefore to be given to the Palace. If this has to be sanctioned, an additional grant seems to be necessary.

Recent orders on the Palace Military seem to dispose of the other matters on which H. H's orders had been solicited, viz:—

1) Proposal to place all Palace Forces under the Chief Commandant.
2) Authority to make purchases for H. H's Body guard &c.
3) Procedure regarding Palace Mil'y Pensions.
